## OUTDOOR TEAM BUILDING RANGE: INITIATIVE ACTIVITIES

### INITIATIVES

Challenge body & mind through a series of problem solving activities to develop cohesion & communication within your teams

### KEYPUNCH

Your operative is to get your team in, work out the sequence, decode the computer virus or get out before it's too late

### BOULDER CROSSING

Teams must cross the polluted wasteland. Affected players must go back for treatment. Polluted equipment is lost one by one so take care

### BALLS OF STEEL

Team members collect tools whilst completing other tasks, multitasking as they go so as to complete a delivery system under pressure before time runs out

### INTEGRATION

Team members must work together to protect each other from toxic waste by placing it within a series of containers - without touching a single one

### CONNEXIONS

Teams demonstrate the balancing act of efficient strategies and team prowess to move a freight shipment from loading bay to despatch

### FORTUNE OR BUST

A risk management activity the objective of which is to get the maximum team effort using the minimum resources without damaging resources

### BEAM WALK

Reach the highest score, achieving the seemingly impossible by thinking innovatively with a whole team vision

### PICK 'N' CHOOSE

A fun way to optimise sales results: devise risk vs return strategies, effective team skills assessment and team member utilisation

### MAZE

A hidden path must be traversed by means of only non-verbal communication. Teams learn to transfer learning & trust others in their roles

### PYRAMID

An activity with dire consequences for a wrong move, team members learn the importance of understanding and applying the system

### EXECUTIVE MARBLES

A tactical thinking activity requiring quick development of new tactics to retain market leadership under constantly changing conditions  
And more...

## OUTDOOR TEAM BUILDING RANGE: STAND ALONE & ADVENTURE ACTIVITIES

### ADVENTURE CHALLENGE

Teams perform a variety of point scoring tasks offering mental and physical challenges. Select from up to 15 team activities

### CHAIR LITTER

See if your teams can stick to the specks and all create the same product without seeing the others work. Communication is the answer

### ADVENTURE COMBO

Come on a "bush journey" selecting one or more adventure activities that may include abseiling, mountain biking, rafting, canoeing or caving

### AMAZING RACE

Decipher cryptic clues, find the checkpoints, get through the roadblocks and score the highest points in the shortest time

### RAFT FLOTILLA

Break through the challenges earning points to buy materials to build the winning raft. The more points the better the materials.

### HIGH ROPES

Stretch the comfort zone, trust your team and tread your way along the high ropes to return ready to challenge life!

### WATERCO

Get your hands wet & get ready for a challenge. Your team has four attempts to save your uncle's legacy "Water Co" from the brink of ruin

## TEAM DEVELOPMENT RANGE:

### TEAM DYNAMICS WORKSHOP

Understand individual personality and team profiles to effectively problem solve

### CROSS TEAM COLLABORATION

Communication across functions, departments and offices: understanding each other's roles, priorities and challenges

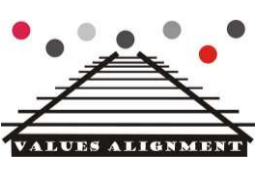

### TEAM ESTABLISHMENT

Penning a Team Charter provides a solid operating framework incorporating all that a team needs to operate effectively

### TEAM PERFORMANCE REVIEW

Rate each team member's performance against nine key indicators including stakeholders outside the team to give a 360 degree feedback loop

### VALUES ALIGNMENT WORKSHOP

If you have a new team forming and need to define the values or feel there is poor alignment to existing values this workshop is for you!

### TEAM PLANNING WORKSHOP

Clear strategies, targets and planning are critical for successful outcomes. Identify barriers & gain "buy in" and a commitment to succeed  
And more...

## EVENING ACTIVITY RANGE:

### BIG GIG

Similar to the hit show "Spick & Specks" we test and entertain you as you delve into your memories, perform and play to win

### AFRICAN DRUMMING

A wake up or after dinner program of team drumming to an awesome crescendo where participants finish exhilarated and unified

### MURDER MYSTERY

Teams detect and deduct their way through various crime scenes interpreting clues to work out who has committed the shocking crimes

### RIDGE DIDGE

Surprise yourself and learn to play the Didgeridoo, create songs and add a dance for a most Australian team challenge

### WHAT THE?

Highly interactive and much more than a trivia challenge, team members pool talents in this fun dinner activity
